### BACKPACKERS:

Otter's Bend Lodge, in the heart of the Franschhoek Valley, is the ideal country getaway for city dwellers...

skip Otter's Bend Lodge is a unique backpackers', hikers' and travellers' lodge offering a self-catering or bed and breakfast base from which to explore the Western Cape Winelands and Franschhoek.

Otter's Bend Lodge is situated on a farm, in the heart of the Franschhoek Valley, surrounded by wine and fruit farms. A foot track leads you off Dassenberg Road through pear orchard down to the Franschhoek River. You will find Otter's Bend Lodge nestled in amongst poplars, oaks and yellowwoods on the banks of a bend in the river – a nature lover's dream. Its tranquil rustic ambience makes it hard to believe that it is only a 15 minute walk or 5 minute drive to the centre of Franschhoek village.

The log cabins and communal living area will quickly absorb you into this "gem of a spot" where the whispering of the wind in the trees and the rush of the river, as it makes its way round the bend, tend to command a peaceful silence that is appreciated by all the Otter's visitors.

Although the Otter leaves the welcome to the humans and the domestic animals, he makes his presence felt in his tracks left on the sand and his pathways along the riverbank.

In amongst the orchards, with access to the communal area and pool, is the camping area. Camping is limited to three two-man tents.

"We have enjoyed the 'sounds of silence' in this beautiful setting." Pat & Bill, USA.
